Trevor telling the Johnny Robb story:
heyamifat.com/robb.mp4

When Jonathan Howard Robb started posting about Trevor on Insta, Trevor DM'd him and said he'd pay \$20,000 to stop posting.

It turned out to be a sting operation. Jonny Robb was arrested. 3 weeks later he died.

What do you think of the story he tells regarding your friend? Is it mostly true, somewhat? Total BS?

I'm curious to hear if you think Trevor crossed lines in those events, or if there's something there that warrants actual criminal investigation, etc.

Maybe I'll make a video to explain what happened and post it tomorrow. It's complicated and tragic. Jonny just bad mouthed Trevor online. They were super tight buddies for years, but Trevor kinda forgot about him when he got successful

So off Jonny went posting to his insta story some negative posts about Trevor. All the stuff I remember him posting was **100** true. He wasn't trying to extort anyone. Trevor is just a bit of a slime ball so Jonny had a lot of bad stuff on him without trying

During this time Jonny was in a very intense manic episode. We were all trying to help him come down. He was using large quantities of acid, like Milton stated. That was maybe only true thing Milton said

I was 99.9% convinced Milton had entrapped him, though I didn't have all the details. Milton told me he was going to get Jonny put in prison before the alleged extortion. Jonny in his manic state was no match, especially having let his guard down thinking he'd settled the dispute

After about two weeks in jail, Jonny made bail and went home, said goodbye to his family and took his own life. I'm sure that wasn't Trevor's desired outcome. He just wanted to lock up his former mentally ill best friend for 30 years in federal prison for making him look bad

I don't understand why your friend Johnny was sent to jail. He should have been evaluated by a psychiatric professional. I am not her to excuse Johnny's behavior but if Trevor knew he had a psychiatric problem why intrap him? Someone could have got him that he needed.
